ODINE HELPS EUROPEAN CITIZENS BUILD SUSTAINABLE BUSINESSES USING OPEN DATA

Get up to **€100,000** per company to develop your ideas of using open data at the core of your business:

- expert advice from business mentors
- peer networking and support
- technology and data sets
- high-quality coverage in the Guardian datablog
- brokering introductions to business angels and VCs.

CALL OPENS ON

1ST OF MAY 2015
